Information Request AG-1-13

- Q. Please provide the Company's most recent forecasts that update the last approved forecast and supply plan, approved in *KeySpan Energy Delivery New England*, D.T.E.01-105 (2003). Identify the needs for the Cape Cod service territory.**
- A. On October 13, 2005, the Company filed with the Department its Long Range Resource and Requirements Plan for the forecast period 2005/06 through 2009/10. This filing was docketed as D.T.E. 05-68 and is currently pending before the Department. The forecasts that specifically identify the seasonal and peak day firm sendout requirements and incremental supply and capacity requirements for the Cape Cod service territory are set forth in Table G22-N, Table G22-D and Table G23-D in Section VI of the filing ('Comparison of Resources and Requirements'). Attached are the relevant pages from the filing in D.T.E. 05-68.
